

Safety Guide

10 Tips for Finding Safe Shelter in Cape Town

1. Research verified shelters via city and NGO websites.
2. Avoid isolated or poorly lit shelter areas.
3. Confirm that the shelter provides clean water and sanitation.
4. Check if the shelter is legally registered or affiliated with an NGO.
5. Keep personal belongings secured at all times.
6. Save emergency contacts on your phone.
7. Travel in groups when possible.
8. Verify curfew and entry rules before committing.
9. Ask for reviews from community members.
10. Always have an alternative plan or safe contact.
